

Dear Parents/Carers

Thank you for considering James Sheahan Catholic High School for your child. Choosing a school for your child is an important decision and we encourage you to think carefully about this decision.

James Sheahan is a welcoming and inclusive school. It is a place where students of all backgrounds, abilities and interests can belong. We are guided by the Gospel values of courage, compassion and hope. Our creed is simple – Living our Faith. Sharing the Journey. Building a Future.

We have high hopes for, and high expectations of, our students. We want all students to participate fully in the many opportunities that are offered so that they get the most out of their time here. James Sheahan students are justifiably proud of their school.
