11 August 2017

Dear Student and Parents

As a component of the Preliminary PD/H/PE and Primary Industries course, students are studying First Aid, with knowledge and skills being taught in their PD/H/PE and Primary Industries lessons. In order for them to be awarded a formal accredited certificate, they need to be tested, on both practical and theory components, by an external examiner from RLSSA.

The cost of the course is \$60.00. This is significantly less than if students were to undertake the course outside of school. The fee covers the cost of the external examiner and students will also receive a First Aid work book and basic first aid kit. Whilst it is recommended to complete the external examination it is not a compulsory component of the course. Please indicate below if you/ your child will be undertaking the exam and paying \$60.00 to the front office by **16 August 2017**. If money is not received by this date, the student will be unable to receive the qualification.

Assessment will occur on Wednesday 20 September 2017 at school

An accredited Senior First Aid certificate is an important qualification recognised and valued by employers and the community. We hope your son/daughter finds this a rewarding experience.

Yours sincerely

Mrs J Kingham
PD/H/PE Coordinator

Mr P Meers
Assistant Principal

Dear Mrs Kingham/Mrs Eyb

My child _____ will be undertaking the exam and paying \$60.00 to front office by 16 August 2017.

My child _____ will not be undertaking the external exam.

Signed Parent/Carer: _____
