Dear Parents/Carers

RE: YEAR 7 VACCINATION PROGRAM 2017

Each year, NSW Ministry of Health offers students in Year 7 the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school based vaccination program.

If you wish your son/daughter to have the vaccinations outlined in the information package, please complete the consent form found in the pack and return to the school office by Thursday 16 March 2017. If you do not wish for your child to be vaccinated, simply ignore the vaccination package they brought home with them. The scheduled dates for 2017 are as follows:

Friday 17 March 2017

Wednesday 13 September 2017

In previous years, students have received three doses of the HPV vaccination. This is currently under review. If it is deemed necessary to conduct a third clinic, I will advise you of the date as it approaches.

If you have any questions/concerns regarding the vaccination program, please contact Susan Turcato, NUM at the Western NSW Local Health Network on 6339 5944.

Yours sincerely
