Dear Parent/Carer

RE: RYDA PROGRAM

Road Safety Education Limited is the leading provider of road safety education for youth in Australia. At RYDA students attend six interactive sessions. In small peer groups, they are challenged to change the way they think about road safety; participating in a stopping distance demonstration, devising personalized strategies, gaining an understanding of their individual risk profile and getting tips from road safety experts on how to protect themselves, their friends and family.

By participating in RYDA students are provided with a unique opportunity to learn essential life skills as they face the challenges of driving solo or as an influential passenger of a novice driver.

The RYDA Program will be held at Towac Park, Orange on Thursday 21 March 2019. Students will be bused to and from the venue leaving the school at 9.10am and returning at about 2.45pm. This excursion is covered under the compulsory excursion levy in annual fees.

Yours sincerely
